INTRODUCTION

This 5-day intensive course on diagnostic parasitology aims to review, update and strengthen the knowledge and skills of health professionals involved in teaching, research and diagnostic work dealing with parasitic diseases.

Accurate laboratory diagnosis is an essential first step in the management of parasitic diseases both at the level of the individual patient and the community.

Microscopy is a mainstay in laboratory diagnosis. However it requires a high level of expertise to ensure reliability.

The new powerful tools of biochemistry, immunology and molecular biology complement microscopic diagnosis.

COURSE OBJECTIVES

GENERAL GOAL: Enhance the Diagnostic Parasitology capacity of the parasitic infections.

- ✚ Identify the important morphologic features used in the identification of parasites and medically important arthropods;
- ✚ Perform various laboratory procedures used in the diagnosis of parasitic infections for clinical and research applications;
- ✚ Demonstrate specific methods and procedures for collection, preservation and processing of parasitic specimens; and
- ✚ Understand the latest concepts regarding the epidemiology, diagnosis and quality assurance, treatment and control of parasitic infections.

COURSE DESCRIPTION

- ✚ Intensive laboratory-based course
- ✚ Lectures/discussions, videos and films
- ✚ Core activities are:
 - Pre- and Post-test
 - Detailed examination of parasite specimens.
 - Hands-on diagnosis of common protozoan and helminthic infections.

TOPICS

- ✚ Foundation of Diagnostic Parasitology
- ✚ Soil-transmitted Helminths
- ✚ Directly Transmitted Parasites
- ✚ Food- & Water-borne Parasites
- ✚ Vector-borne Parasites
- ✚ Intestinal Protozoans
- ✚ Immunodiagnosis
- ✚ Molecular Techniques in Diagnosis
- ✚ Quality Assurance in the Diagnosis of Parasitic Infections
- ✚ Diagnostic Medical Entomology
- ✚ Teleparasitology

WHO SHOULD ATTEND

- ✚ Medical and paramedical health personnel involved in the diagnosis and/or management of parasitic infections
- ✚ Teachers, researchers and health practitioners involved in or with an interest in medical parasitology

FACULTY

Prof. Vicente Y. Belizario Jr., MD, MTM&H
Prof. Arlene G. Bertuso, MSc, PhD
Prof. Lilian A. De Las Llagas, MSc, PhD
Prof. Lydia R. Leonardo, MSc, DrPH
Prof. Pilarita T. Rivera, MD, PhD
Asst. Prof. Myra S. Mistica, MPH

REPS

Ms. Elena A. Villacorte, DAP&E, MSc

ADMIN STAFF

Ms. Mary Joy A. Magracia, BEED
Mr. Gregorio N. Leaño

TRAINING COURSE COORDINATOR

Prof. Lilian A. De Las Llagas
Co-Coordinator: Asst. Prof. Myra S. Mistica

COURSE OFFERING

Early registration: Php 14,500.00
On-site registration: Php 15,000.00

Registration fee includes all training course materials, lunch and snacks.

Please deposit payment to:
UP-CPH Foundation, Inc.
BPI Taft Unlad Condominium
Account Number **3061-0738-67**

Please email the deposit slip to:
E-mail to maryjoy.magracia10@gmail.com

Kindly bring a copy of your deposit slip on the first day of the training.
